- **Eid-Ul-Adha:** 17/18th July
- **School Starts:** Monday 7th September 2015

PRIMARY

Children Of St Mary's

Intensive Care

Year 6 expressed their creative side when they decorated boxes as cars and buses to transport toys to the children of St Mary's intensive care. They enjoyed buying toys and handed them to the hospital I. The primary classes then enjoyed a tour! Giving the toys was a kind gesture greatly appreciated by the children at the hospital but it also serves as a reminder of how important health is.

"There were so many trips this year and they were amazing! Great workshops, fun outdoor activities and a brilliant way to learn outside the classroom. All thanks to our wonderful teachers- jazakallah khair!"

Year 10 Student

Great Outdoor Challenge!

This month years 2-6 spent a whole day in Springfield park and enriched their learning about nature through activities such as tree hugs, tree hunts, a rabbit and fox chase and reciting Quran to charm the birds.

Multicultural day

This year was TGS' first ever multicultural day and, with the help of students, teachers and parents, it proved to be an amazing afternoon. Students dressed according to their culture and bought and sold foods. Children displayed cultural clothing by modelling on the catwalk, but the highlight of the day was the 'Four weddings and a Funeral'- a side splitting play performed by the talented year 6. Thank you for all your efforts, may Allah reward you.

Farewell Year 11's and A2 Students!

It has come to that time of year once again where TGS has to bid farewell to the beloved year 11s and A2 sixth formers. It has been a great pleasure to have taught them.

A trip to Shakespeare's Globe to watch Othello back in March 2015, was organised to celebrate year 11 and A2's hard work over the past few months.

It is very saddening that they will be

leaving TGS — nevertheless, TGS doors will always remain open for them!

On behalf of all TGS teachers, we would like to wish them all the very best for their future endeavours and may Allah (swt) continue to keep them in steadfast. Ameen

Best Wishes

Miss Gulruba

"When the month of Ramadan starts, the gates of the Heaven are opened and the gates of Hell are closed and the devils are chained."

Ramadan

The holy month of Ramadan
For all Muslims has begun.
Praising Allah through the day,
From dawn to dusk we fast and pray.
We pay zakah for those in need,
Trying hard to do good deeds.

When the sun has set, and day is done-
I'll break this chain, but only one.
By the end of Ramadan, this whole chain
will be all gone!
It's time for Eid and lots of fun!!!
